

## GETTYSBURG RALLY WITH THE PENN COACHMEN, APRIL 2021

Our first rally is in the books for 2021. We had a **wonderful** time at the Gettysburg Campground. The weather cooperated for the most part, and it warmed up nicely. A little rain didn't stop the fun.

We had 23 rigs with 44 people in attendance. We even added 3 new members to our group. Welcome Ken & Janet Frey, Tom & Jane Burke. Tom & Debbie Leech joined both FMCA and Penn Coachmen within the following week! Congratulations and welcome to Penn Coachmen.

We also welcome Bob & Carol Crossett and Bob & Iris Blum as First Timers. They jumped right in and are a welcome asset to our club.

Cheryl Chester joined Mary Ellen Seifert as a guest and I believe we will see her at some upcoming rallies.

Early Birds arrived on Tuesday, April 27<sup>th</sup>. Some social gatherings took place as we were doing our best to stay safe yet have a good time.

Wednesday, April 28<sup>th</sup> started our rally and the First Timers Meeting gave some insight to those attending for the first time. After our mini meal we had several announcements and brought everyone up-to-date. Eric Britz gave us an update on FMCA and the upcoming election of officers. Gary and Sue Cipa talked about the vision of Penn Coachmen for 2021.

Thursday, April 29<sup>th</sup> gave us some free time to sightsee and have breakfast or lunch out in town. Due to Covid, we did not plan any tours or outings as a group. We broke in the "New" Bean Bag Baseball board, thank you Gary for making it. We had an exciting tournament between "Team Penny" and "Team Nickel-Nickel". Team Penny took the Rally Win! Lots of laughs and good times were had by all.

Our Fried Chicken dinner was enjoyed by all. We had plenty of food and desserts. No one went hungry. We rounded out the night with a few rounds of Bingo. Everyone won a prize and we enjoyed the social time with each other.

Friday, April 30<sup>th</sup>, closed out our rally with a continental breakfast. Prizes were given to the winners of the Baseball game and there was a meeting for the upcoming Don Laine rally. Everyone took their time to pack up and pull out.

We hope everyone had an enjoyable time. It was nice to get back together with old and new friends.

Safe travels and hope to see you down the road!
