We had a moonlit weekend, beautiful weather, good food, and our entertainment was awesome!

We started out on Friday evening with a picnic meal. The ladies did a great job!

Friday's entertainment was the Penn Coachmen Theatre presentation of "The Schitt Family" as well as our men's swim team in the Penn Coachmen Olympics.

After a catered breakfast, a visit to the Union Canal Tunnel Park was Saturday morning's excursion.

The meal on Saturday evening consisted of a catered chicken dinner followed by entertainment by a family group known as "Sing for America." Afterwards, we ventured out to the bonfire where we had a sing-along conducted by Helen Young.

On Sunday, we had a continental breakfast followed by a worship service conducted by Hal Amos in Reverend Henning's absence.

Our departure was a little sad because the rally, food, fun and friends were going separate ways until our rally in Bloomsburg in August.

SAVE YOUR USED POSTAGE STAMPS.

Penn Coachmen Members; I would appreciate it very much if you could save any used postage stamps you receive in the mail. I do not need the total envelope. If you could cut the stamp off the envelope leaving approximately 1/4 inch or more of the envelope around the stamp. If you would bring them to the rally, I would appreciate your effort. If you would prefer to bring the total envelope, I will see that it is shredded after removing the stamp. Thanks

THIS IS US

Senior citizens are constantly being criticized for every conceivable deficiency of the modern world, real or imaginary. We know we take responsibility for all we have done and do not blame others.

HOWEVER, upon reflection, I would like to point out that it was NOT the senior citizens who took:

The melody out of music.

The Golden Rule from rulers.

The pride out of appearance.

The nativity scene out of cities.

The courtesy out of driving.

The civility out of behavior.

The romance out of love.

The refinement out of language.

The commitment out of marriage.

The dedication out of employment.

The responsibility out of parenthood.

The prudence out of spending.

The togetherness out of the family,

The ambition out of achievement.

The learning out of education.

God out of government and school.

The service out of patriotism

And we certainly are NOT the ones who eliminated patience and tolerance from personal relationships and interactions with others!

And, we do understand the meaning of patriotism, and remember those who have fought and died for our country. Just look at the seniors with tears in their eyes and pride in their hearts as they stand at attention with their hands over their hearts!

YES, I'M A SENIOR CITIZEN!

I'm the life of the party—even if it lasts until 8:00 p.m.

I'm very good at opening childproof caps—with a hammer.

I'm awake many hours before my body allows me to get up.

I'm smiling all the time because I can't hear a think you're saying.

I'm sure everything I can't find is in a safe secure place, somewhere.

I'm wrinkled, saggy, lumpy, and that's just my left leg.

I'm beginning to realize that aging is not for wimps.

Yes I'm a SENIOR CITIZEN, and I think I am having the time of my life!

Now, if I could only remember who sent this to me, I wouldn't send it back to them, but I would send it to many more too!

Spread the laughter.

Share the cheer.

Let's be happy while we're here.

GO GREEN—RECYCLE CONGRESS.
